Acting Headteacher – Mr G Dyer

Deputy Headteacher – Ms S Burroughs

School Council News

Barlby Bridge Cares-supporting our local food bank.

Following our inspirational visit to the local food bank we are inviting everyone to contribute to ongoing support.

We found out that more and more people need help to feed themselves, their families and their pets. This includes people who go to work.

We want to help! The children have planned themed collections to complement the donations basket outside Class Earth.

Donations can be made on any day and items can be put into the basket outside Class Earth. On themed days there will be volunteers in the playground with Selby food Bank bags ready to collect donations.

6th Feb will be 'Tooth Set Tuesday'-anything connected with cleaning your teeth and zip lock bags to make a pack for someone.

21st Feb will be 'Warm Drink Wednesday'

Any tea, coffee, hot chocolate, malted instant drinks. Sachets or small packs would be easier to carry home.

Of course, lots of people have a biscuit with a drink, so biscuits would be a treat with a warm drink.

There will be more themed days throughout the year. Thank you, in advance, for your support.

Year 5 Visit to NRM

Engineering and forces

We had a fantastic visit to The National Railway Museum to see Tim Peake's space capsule and take part in two forces workshops. So much Science!

This is what the children said...

"I feel amazing and it's so cool to be standing next to an object that has actually been into SPACE."

"It is a once in a lifetime experience."

"I feel tiny and amazed."

We also learned about compression, tension, propulsion, pressure and equilibrium in relation to suspension and bow bridges.

E-Safety Week

Tuesday 6th February is National Safer Internet Day and as part of our ongoing focus on this hugely important subject, we will be hosting a special day of workshops for the children led by E Safety expert and consultant, Tim Pinto.

As part of the day's programme, Mr Pinto will also be leading a parent session focusing on how you can support and protect your child in an online world. You will have received a letter about this and a booking slip. Please return this to school if you haven't already done so.

For more tips about keeping your child safe online please have a look at the E-Safety parents' presentation on the school website. It can be found under the Parents tab- 'Keeping Children Safe'.

Parent Governor Vacancy

We currently have a vacancy for a parent governor on the School Governing Board.

Governors work in partnership with the Headteacher, senior leadership team and co-operatively with other governors to help raise standards and improve outcomes for all children.

If you would like to be considered for this position please come and collect a nomination form from Mr Dyer.

Important Dates for your Diary

Tuesday 6th February	Safer Internet Day
Friday 9th February	Good Work Invitation Assembly
Friday 9th February	School Closes For Half Term
Monday 19th February	School re opens

Friday 23rd March	Comic Relief Day
Thursday 29th March	School Closes for Easter
Tuesday 17th April	School Opens for Pupils

Year 2 at the Yorkshire Air Museum

We are reading the book 'Rosie Revere Engineer' at school and learning about aeroplanes. We decided to visit the Air Museum to find out more. Our guides showed us all of the planes at the museum and told us all about them. We saw Bi-planes, tri-planes and monoplanes. My favourite was the Spitfire because I liked that way it is made and all the detail. There are lots of buttons inside! We had an awesome day at the Yorkshire Air Museum!
