

Barlby Bridge Primary School: Parent Questionnaire 2016-17

Your views about our school are important to us. Over the past three years we have changed and adapted many of our school policies and practices as a direct result of feedback from parents. This year we are using the same questionnaire format as Ofsted as well as some questions of our own. We have added a comments column after each question and would encourage you to tell us more about your answer.
