Sports and Fitness News

Getting fit and being healthy at Barlby Bridge School!

Super Movers Assembly is a partnership between the Premier League and BBC which aims to inspire primary school children to get active, the clips are really good fun and can be done at home with children (see the learning corner for the link). We have been having special Super Movers assemblies to get us ready for learning.

Skate Park: We have introduced a skate park on a Friday for children to bring in scooters and go over ramps which school have purchased. Friday 22nd June saw Year groups 4, 5 and 6 take part and had a great time.

World Cup Day: On Friday 6th July we will be having a World Cup Day where children will be taking part in lots of different sporting activities throughout the day, which will be lead by our 6 children.

Saturn Class at Selby High School

We enjoyed a busy fun day at Selby High and impressed the teachers with our drama and computing skills. We loved the library and felt welcome and comfortable around school. Our day began with getting to know the PE teachers by playing rounders. We also learned about the Enigma machine and codes used in the war with Mr Burnitt. We finished off with maths challenges and received goody bags to take home.

Thank you to SELBY High School.

School Digital leaders

On Monday 18th June we had a special presentation from our school digital leaders.

Following issues with video game addiction that had been reported in the news, they wanted to talk to the school about the potential problems that children can encounter, particularly when playing online. They delivered an excellent presentation.

They discussed what gaming addiction is and the impact it can have, PEGI ratings, the importance of taking regular breaks and the need to ensure that you have the correct communications settings that parents are aware of. They asked children to discuss this with you as part of them taking a responsible approach to gaming so that they can have fun but **BE SAFE!**

Staff News

We are delighted to be welcoming back Mrs Hughes who will be returning to school following her maternity leave on Monday 2nd July. She is very much looking forward to seeing everyone and has been keeping up with all of the work we have done this year. Mrs Hockley will also be returning on that day following her maternity leave. She will be teaching Mars class until the end of the term.

Sadly, on Friday 29th June, we will be saying goodbye to Miss Drayton. She will be taking up a teaching post at Selby CP School in September. Everyone here at Barlby Bridge will miss her but we wish her the best of luck in her new role and we hope she keeps in touch!

In our learning corner this week we have some ideas for supporting your child with sports and exercise.

For more sports games and ideas please see Mr Wood.

Frozen Friday

Starting on Friday 29th June we will be having 3 'Frozen Fridays'. Ice pops will be available for children to buy at morning playtime with proceeds going to the children's charity 'Starlight' and FoBBs.

Dates are: Friday 29th June, Friday 6th July and Friday 13th July.

If children would like to buy an ice pop on those days please could they bring

50p

Good Work Assembly

Congratulations to our 14 nominees who shared their work with the school and parents during assembly on Wednesday 20th June. Achievements included superb writing across genre, a range of excellent maths work, resilience, reading practice, oratory skills and French. Well done to:

Saturn-Bianka, Tymek and Safia **Jupiter**-Hollie and Riley **Mars**-Alex and Erica, **Earth**-Megan and Tabitha, **Venus**-Annie and Amelia, **Mercury**- Heath, Jacob and Annabelle.

School Reports

Owing to the release of the **Key Stage 2 SAT results on the 10th July**, we will be releasing all **school reports on Friday 13th July**. This is to ensure that all children are able to have access to school reports on the same day and allow for Year 6 results to be included with their report. Year 6 children will be informed of their results on the 10th July.

And finally...

May I take this opportunity to thank you for the continued support that you offer to the school, our children and the fund raising that we do. It really does make a huge difference when home and school work together and is greatly appreciated by every member of the school community!

On a personal note, may I say how much of an honour and pleasure it has been to lead the school over this past year. I am proud to have done so. We have an extremely hard working and dedicated team at Barlby Bridge and I would like to thank them sincerely for everything that they have done to assist me. Mr Dyer
