Dear Parents,

Next Friday 12th February you are invited to a 'Growth Mindset' session which will be based around how children (and adults) learn new things and how this links to our school focus of developing positive learning attitudes.

The morning will start at 9.00am with a short information session which will take place in the school hall. After this there will be a range of skill sessions which you can take part in with your child/ren. Each family will be able to attend three sessions which will last approximately 20 minutes each. The morning will finish at approximately 10.30am.

Please could you choose from the sessions below and **tick up to three** as a first choice. Due to the numbers of parents attending we will only be able to allocate one session of your choice and the other two will be chosen at random.

Please note that this form should be filled in per family rather than individually as this will enable the children to take part in the same sessions as their siblings. **Please return your slip to school by Tuesday 9th February.**

We will send return slips out next week informing each family of the sessions they have been allocated.

Thank you for your participation.
Yours Sincerely

Mrs Hughes
