

Anti- bullying week School Family Event

On **Monday 13th November**

your children will be enjoying a School Family Event and will be taking part in activities linked to this years Anti- Bullying Theme-

'All Different/ All Equal'

Come and join your child in their School Family Group for cake and juice

at 2.30pm

to find out what they have been doing.

All Different

All Equal

The theme of the day is- All Different/ All Equal. Children across the country have chosen this theme because it is important to recognise that we all have our differences- be it faith, race, gender, disability. We may also be from different family groupings, enjoy different hobbies or talents. This of course is great and is what should make our families, school, community, country and world a great place to be. Each of our differences come together to make something great and we all individually add something to the mix. We are all equal and should also have equal rights to things such as food , education, health care, time to play etc.

So how does understanding differences and celebrating them help us prevent bullying?

For younger children this will be identifying how they behave when they disagree with others over the use of a toy perhaps. Older pupils may discuss more about understanding differences and acceptance of others views and

Important!

Check your child's reading record book—it will give you the room your child will be in on the day. Please go straight to that room. After the event, you will be asked to wait outside as usual while we make sure each child returns safely to their classroom to collect their belongings before home time.
