

People can **donate anything, any day, at school** and we will also be holding **themed collection days**.

6th Feb will be Tooth set Tuesday-anything connected with cleaning your teeth and zip lock bags to make a pack for someone.

21st Feb Warm drink Wednesday

Any tea, coffee, hot chocolate, malted instant drinks. Sachets or small packs would be easier to carry home.

Of course, lots of people have a biscuit with a drink, so biscuits would be a treat with a warm drink.

How do we collect donations?

- All donations must be in **sealed packs and in date.**
- On theme days there will be pupil volunteers in the playground with collection bags from Selby Food Bank.
- There is a donations basket outside Class Earth that can be used any day.

Tooth Set Tuesday & Warm Drink Wednesday

What an incredible response!

Staff from Selby Food Bank were overwhelmed by the kindness shown at our recent themed collection days.

The donations will support many families who are experiencing difficult times.

THANK YOU

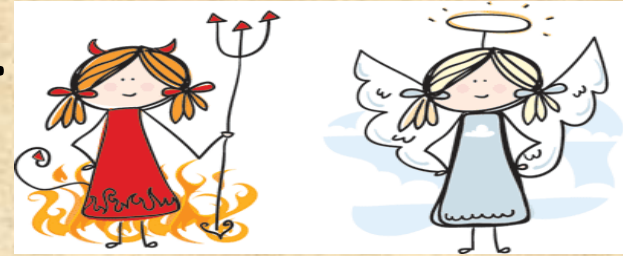

Our next collections will be
Around the World
Wednesday 14th March
Pet Food Friday 23rd March

Being environmentally responsible.

- Eco-warriors are active in school.

They help everyone to take responsibility for saving energy and resources using our energy angels and devils scheme.

Paper is recycled, items are re-used, we try to create less waste, we turn off taps, we turn off lights and appliances when we are not using them.

How will you make a difference ?

Get Involved!
