3rd April 2019

Dear Parents and Carers,

It has been reported by parents that there has been an adult acting suspiciously on Thomas Street during drop off and collection points. The police have been informed and have since asked this person to refrain from coming into the school street at these times. There is nothing to suggest that this adult poses any threat to children however there has been an increased police presence at the end of school today to monitor the situation in response to the concerns raised. If you do have any similar future concerns, we would urge you to call 101 to report these or alternatively speak to a member of the office staff.

Yours Sincerely,

Claire Hughes

Headteacher
